

SHOPPING WITH BEST CHEER STONE FOR THE FIRST TIME

BCS is a wholesale company that caters to fabricators, installers and contractors. Your contractor or fabricator must create an account with us before you visit our facility. We will only discuss pricing with your contractor or fabricator, unless he or she requests otherwise.

The inventory at our Anaheim warehouse comprises more than 200 types of stone materials, ranging from stone slabs and prefab countertops to vanities and cabinets, each available in a variety of sizes. With so many options, it is easy to feel overwhelmed on your first visit to BCS. We recommend the following process to help streamline your shopping experience:

1. **Fill out** Customer Checklist
2. **Select & tag:** Once you arrive, you'll be invited to browse our warehouse. For your safety, please do not touch the materials. When you've selected your stone, ask a sales rep or assistant to tag it for you (refer to the contact list below for sales reps' direct phone numbers). Please be advised there may be a wait time.
3. **Pay for the material:** Once your material has been tagged, please inform your contractor or fabricator. He or she will have 3 days to make a payment before the hold tag expires.
4. **Pick up the material:** Your contractor or fabricator can pick up the tagged / right material once he has paid. It is the contractor's responsibility to inspect the material before leaving our facility. BCS is not responsible for damaged materials or incorrect colors; a restocking fee applies to all returns and exchanges.
